PROFESSIONAL SUMMARY

Committed and reliable Food Safety and Hygiene professional with 7+ years of experience in hotel and high-volume food operations. Currently Food Safety Supervisor at Ambuja Neotia Banquet Hotel, Kolkata, and previously Quality Control Coach at Al-Baik (Express Food Company). Experienced in hygiene inspections, HACCP and ISO 22000:2018 compliance, temperature and sanitation records, corrective and preventive actions, audit support and food safety training. Available for shifts, weekends and public holidays in hot, cold and wet environments. HACCP Level 3 certified.

EXPERIENCE

Food Safety Supervisor
Ambuja Neotia Banquet Hotel
December 2025 - Present | Kolkata, India

- Achieved early correction of unsafe practices by conducting daily hygiene inspections across banquet kitchens, buffet lines and storage against HACCP principles and local regulations, resulting in safeguarded food safety.
- Achieved accurate, audit-ready temperature records by monitoring cooking, cooling, reheating, holding and refrigeration temperatures, resulting in safe high-volume banquet service.
- Achieved a stronger food safety culture by delivering induction and refresher training on handwashing, cross-contamination prevention and FIFO, resulting in improved team hygiene practice.
- Achieved timely resolution of hygiene issues by reporting non-compliance and pest or waste concerns to the Executive Chef and department heads and following up, resulting in faster closure of issues.

Quality Control Coach (QCC)
Express Food Company Ltd. (Al-Baik)
2023 - May 2025 | Saudi Arabia

- Achieved early detection of unsafe practices by conducting regular hygiene inspections across kitchens, preparation, storage and service areas against HACCP and ISO 22000:2018, resulting in strengthened food safety compliance.
- Achieved audit readiness by maintaining temperature logs, sanitation schedules and inspection reports and driving corrective and preventive actions (CAPA) with department heads, resulting in smoother internal and external audits and timely closure of findings.
- Achieved reduced contamination risk and expired stock by enforcing FIFO, labelling, date marking and stock rotation and coaching food handlers on handwashing and cross-contamination prevention, resulting in safer food holding and a stronger food safety culture.
- Achieved cleaner back-of-house areas by reporting pest-risk conditions and checking waste segregation and refuse areas, resulting in fewer food safety risks.

Restaurant Assistant Coach (RAC)
Express Food Company Ltd. (Al-Baik)
May 2021 - 2023 | Saudi Arabia

- Achieved consistent hygiene compliance by enforcing cleaning and sanitation schedules, grooming and SOP standards through opening and closing checklists, resulting in a safe, sanitary dining area.
- Achieved a well-trained team and consistent service quality by training and coaching new and existing staff on food safety, handwashing and cross-contamination prevention.

Service Assistant Coach (SAC)
Express Food Company (Al-Baik)
April 2019 - April 2021 | Madinah, Saudi Arabia

- Achieved prompt, accurate service by supervising front-line operations and coordinating order flow between counter, kitchen and delivery teams, resulting in upheld Al-Baik service and hygiene standards.
- Achieved faster onboarding and consistent standards by training new service staff on personal hygiene, handwashing, order accuracy and hygiene procedures, resulting in raised hygiene awareness.
